

7th Sportsman Donor Challenge

BLOOD DRIVE

THE MEDICAL CENTER

Tuesday, March 27 & Wednesday, March 28
10:00 AM - 5:00 PM

PARTICIPATING ORGANIZATIONS:

"I am a lifelong blood donor. I began donating blood as an Eagle Scout while in High School. Blood donation was introduced to us as a way to help others and something that was very much needed all the time. As chairman of the Medical Center in 2006 I was able to see firsthand how donating blood positively impacted hospital patients in their recovery from illness, surgery, and trauma. I am still an avid blood donor and have donated something like 15 gallons over the past 60 years. As Chairman of this year's Sportsman Donor Challenge, I encourage you to donate blood and help others in their time of need."

- Honorary Chairman, Jay Holmes
